South Kentucky College.

Commencement Exercises Held at Holland's Opera House Last Evening.

ATTENDED BY A LARGE AND BRILLIANT AUDIENCE.

One of the largest and most cultured audiences that has ever assembled in Hopkinsville gathered at Holland's Opera House last evening to witness the commencement exercises of South Kentucky College.

This institution is one in which the people of this city feel a pardonable pride, as it is one of the oldest and most popular of all our schools, and its continued success is a source of pleasure to all our people.

During the past year South Kentucky College has enjoyed an unusual degree of prosperity, 140 students having matriculated, the largest number for any one year in its history.

Over \$18,000 have been given to the school as an endowment fund, and in addition to this a gentleman in Logan county, who does not wish his name known, has donated \$1,000 to endow a chair in the college.

The school has enjoyed an era of exceptional success under Prof. Hardy, and it is with pleasure that he announces that there will be few if any changes in the teachers the coming year.

The following excellent program was carried out and the handsome flowers sent to the stage attested to the popularity of those taking part in the exercises.

You would not knowingly swallow poison. When you drink poor whiskey you poison blood, body and brain. Besides this you don't enjoy the drink. Buy good whiskey. There's comfort, health and enjoyment in it. If overworked, worried or run down, you need a warming soothing tonic. Nothing like good whiskey. It aids digestion, makes flesh and pleasantly invigorates the system. Good whiskey does this mind you. Poor whiskey irritates the stomach, inflames the tissues and poisons the blood. You can't afford to run risks, get the best, it pays. Physicians drink and recommend it. W. H. BAKER'S Nelson County Ky. Whiskey. Sold by W. R. Long, Hopkinsville, Ky.
